I am writing to apply for the Customer Support Representative position at Dario. Your mission to make better health easy and support hundreds of thousands of people globally is meaningful, and I would be glad to contribute to that effort.

I bring strong written and verbal English communication skills, comfort with technology and web-based applications, and the discipline to work independently during the night shift (8:30 PM â 5:30 AM IST). I am organized, patient, and experienced in maintaining accurate records while following regulatory procedures.

In my professional experience, I have collaborated with global teams across different time zones, ensuring seamless communication and consistent service delivery. I am comfortable using multiple communication channels and have a track record of handling inquiries with clarity and professionalism.

In addition to my communication skills, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. Thank you for considering my application.
