I am writing to apply for the Team-/Salonassistenz position at HAUBER - The Organic Hair Salon in Munich. Your focus on plant-based products and modern salon environment sounds like a great place to contribute.

While my background is in software engineering, I am a quick learner and enjoy working with people. I am looking for a part-time role where I can support a team, help with daily tasks, and bring a positive attitude.

I am available Tuesday through Friday from 15:00 to 20:00 and am ready to assist with hair washing and any other tasks that need attention. I work well in teams and am comfortable communicating in English and German.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. I would be happy to discuss how I can support your team.

Best regards, Md Shahanur Islam Shagor

Sincerely,
