I am writing to express my interest in the HR Manager in Teilzeit position at LikeGroup GmbH.

My background is in software engineering and team collaboration, not in HR. I do not have the 2-5 years of HR, recruiting, or People & Culture experience this role requires. I also do not have the German language skills needed for this position.

I wish you the best in finding the right person for this role.

I have attached my CV for your reference.

Sincerely,

Md Shahanur Islam Shagor
