I am writing to apply for the Documentation Specialist position at Pinnacle Home Care. Your commitment to delivering compassionate, patient-centered care at home and your recognition as a USA Today Top Workplace reflect the kind of organization where I can contribute meaningfully.

Through my professional experience as a Web Developer, I have developed strong organizational and time management skills while working with multiple software systems, tracking tasks, and maintaining data accuracy. I am comfortable working under deadlines and handling high workloads without compromising quality.

In previous roles, I regularly communicated with team members across departments to resolve issues and ensure smooth workflows. I documented daily progress, followed up on outstanding items, and maintained clear records of actions taken. These responsibilities align closely with the documentation and coordination tasks described in this role.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review and would welcome the opportunity to discuss how I can support Pinnacle Home Care’s mission.

Sincerely,

Md Shahanur Islam Shagor
