I am writing to express my interest in the Employment Lawyer Fully position at KMA Legal Recruitment. While my professional background is in software engineering, I bring strong analytical capabilities, attention to detail, and a structured approach to problem-solving that I believe would be valuable in a legal context.

Through my work as a full-stack developer, I have developed the ability to analyze complex requirements, identify patterns, and deliver precise solutions. These skills translate well to legal work, where understanding nuanced details and building logical arguments is essential.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. I would welcome the opportunity to discuss how my background could contribute to your team.

Thank you for your consideration.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
