I am writing to apply for the Pharmacy Technician position at Coralisle Group Ltd. I understand this role requires precision, reliability, and strong organizational skills to support daily pharmacy operations.

Through my professional experience as a Web Developer, I have developed strong data management, inventory tracking, and workflow optimization skills. I am proficient in Microsoft Office Suite and have worked extensively with databases and reporting systems that require accuracy and attention to detail.

In previous work, I managed complex data entry tasks, maintained organized records, and ensured timely completion of deliverables. I am comfortable working independently, following established procedures, and communicating clearly with team members and customers.

I am fluent in Bengali and English and have experience collaborating in international environments. I am adaptable to shift work and committed to providing reliable support in fast-paced operational settings.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
