I am writing to apply for the Social Media Manager position at Rotaract Club of University of Ruhuna. While my professional background is in software engineering, I bring strong communication skills, cross-cultural experience, and a practical understanding of digital platforms that align with the responsibilities of this role.

Through my work as a web developer, I have collaborated closely with marketing, design, and content teams to ensure brand consistency and alignment with campaign goals. I have experience managing content calendars, tracking key metrics, and preparing reports to measure effectiveness. My technical background gives me a solid foundation in analytics and data-driven decision-making.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review and welcome the opportunity to discuss how I can contribute to your team.

Sincerely,

Md Shahanur Islam Shagor
