I am writing to express my interest in the æå‘ ä‰ Ł¿ Ł¥ï… ç’¿ä¸ï… internship position at å§ä.. æ‰Ł‰ƒï… ä›å The opportunity to work remotely with flexible hours and contribute to content operations on Xiaohongshu and Douyin aligns well with my background in web development and digital platforms.

As a software engineer with strong experience in building responsive, user-friendly web applications using React, Next.js, and Tailwind CSS, I understand how content is structured and presented online. My work on full-stack projects has given me a solid grasp of how users interact with digital interfaces, which helps me think about content placement and engagement from a practical perspective.

I am a regular user of Xiaohongshu and Douyin and understand their traffic mechanisms and content trends. I can work with provided materials to create engaging posts and notes, manage accounts, and ensure timely communication. I am comfortable following guidelines and maintaining account quality.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. I look forward to the possibility of contributing to your team.
