I am writing to apply for the Office Assistant position at SANY America. I understand the role requires someone organized, friendly, and proactive who can help maintain a welcoming and efficient workplace. I believe my attention to detail and dependable work ethic would allow me to contribute positively to your team.

In previous roles, I have handled a variety of administrative and coordination tasks that required clear communication, scheduling, and follow-through. I am comfortable managing multiple responsibilities at once and take pride in keeping things organized and running smoothly.

One area that particularly interests me is supporting team members with special projects and daily operations. I enjoy anticipating needs and stepping in where help is needed most. I am also experienced with basic office software and can quickly adapt to new tools and workflows.

In addition to my organizational skills, I work effectively across teams and communicate clearly with both colleagues and visitors. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international environments.

I would welcome the opportunity to contribute to SANY America’s positive and supportive workplace. I have attached my CV for your review and look forward to hearing from you.

Sincerely,

Md Shahanur Islam Shagor
