I am writing to apply for the Administrative Assistant position at Orchestrate Consulting Group. Your mission to help job seekers access carefully coordinated opportunities resonates with me, as I value structured and efficient processes.

Through my work as a software engineer, I have developed strong organizational and coordination skills. Managing complex projects, communicating with stakeholders, and ensuring timely delivery are areas where I consistently perform well.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
