I am writing to apply for the Labor position at Innovative Cleaning Services, LLC. I understand you need someone who can work independently at the airport and handle whatever tasks are required.

I am a hard worker who follows instructions carefully and completes tasks reliably. I am comfortable working in different environments and can adapt quickly to changing needs. I am ready to start immediately and can pass a drug screen.

In addition to my work ethic, I communicate clearly and can work well with a team or independently. I am fluent in Bengali and English and have working knowledge of Russian and Hindi.

I am ready to contribute from day one and would appreciate the opportunity to discuss how I can support your team at the airport.

I have attached my CV for your review.

Sincerely,

Md Shahanur Islam Shagor
