I am writing to apply for the KfZ-Prˆ…fassistent & Fahrer fˆ…r Hol- und Bringservice position at HolDeinePlakette. Your company's focus on bringing efficiency and digital innovation to vehicle inspection services is something I find genuinely interesting.

Although my professional background is in software engineering, I bring strong technical aptitude, attention to detail, and a structured approach to task management. I have experience working with digital documentation systems and managing workflows efficiently.

I hold a valid driving license and maintain a safe, responsible driving style. I am comfortable interacting with customers professionally and representing the company with a clean, reliable presence.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I am eager to bring my reliability, technical understanding, and commitment to quality to the HolDeinePlakette team. I have attached my CV for your review and welcome the opportunity to discuss how I can contribute to your growing team.

Sincerely,

Md Shahanur Islam Shagor
