I am writing to apply for the Family Success Specialist position at bina. The focus on helping others feel seen, heard, and supported resonates with me, and I am interested in contributing to a team that values meaningful human connection.

In my previous work as a web developer, I collaborated closely with clients and stakeholders to understand their needs and ensure they felt supported throughout the project lifecycle. This experience taught me to listen carefully, communicate clearly, and build trust with people from diverse backgrounds.

I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
