I am writing to apply for the Finanzberater:in position at Die Subventionsgutachter. Your focus on providing individual financial solutions and holistic advice to private clients aligns with my interest in helping people make informed decisions.

Although my professional background is in software engineering, I have developed strong analytical abilities, attention to detail, and a structured approach to problem-solving through building complex systems. I am comfortable working with digital tools and IT systems, which matches your requirement for Grundkenntnisse in IT und digitalen Arbeitswerkzeugen.

I am a self-motivated individual who enjoys continuous learning and personal development. I am confident that my ability to quickly grasp new concepts and my strong communication skills will allow me to effectively support clients in creating financial plans, advising on insurance and investment options, and maintaining long-term relationships.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. I would welcome the opportunity to discuss how my skills and dedication can contribute to your team at Die Subventionsgutachter.

Sincerely,

Md Shahanur Islam Shagor
