I am writing to apply for the Social Media Marketing Manager:in position at Gasthaus Zur Kanne. Your combination of a traditional guesthouse with a modern wine brand is interesting, and I appreciate the focus on authentic storytelling rooted in real restaurant and wine experiences.

My professional background is in web development, where I have spent over four years building and maintaining digital platforms. This experience has given me a strong understanding of website content management, online campaigns, and creating user-friendly interfaces that communicate brand identity effectively.

One area that particularly interests me is the opportunity to support both Gasthaus Zur Kanne and Gespr^chsstoff Weinwerk with website content, newsletters, and online campaigns. I have hands-on experience with website maintenance, content updates, and digital communication tools, which aligns well with the responsibilities outlined for this role.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review and would welcome the chance to discuss how my skills can contribute to your marketing efforts.

Best regards, Md Shahanur Islam Shagor

Sincerely,
