I am writing to apply for the Personalsachbearbeiter u./o. Entgeltabrechner position. While my professional background is in software engineering, I bring strong analytical skills, attention to detail, and a structured approach to process management that are directly relevant to this role.

Through my work as a Web Developer, I have developed a systematic approach to handling complex workflows, managing deadlines, and ensuring data accuracy. I am comfortable working with databases, generating reports, and maintaining organized records. These skills translate well into payroll processing and personnel administration.

I am a quick learner and enjoy working as part of a team. I communicate clearly and am comfortable collaborating with colleagues from different backgrounds. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy working in international environments.

I am eager to bring my organizational skills and dedication to this role. I have attached my CV for your review and welcome the opportunity to discuss how I can contribute to your team.

Thank you for your consideration.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
