I am writing to apply for the Senior Sales Consultant position at David Untermann. After reviewing the job description, I recognize that my professional background is in software engineering and full-stack development, not in sales consulting. I do not have the sales experience, client acquisition background, or German language proficiency that this role requires.

I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
