I am writing to express my interest in the Steuerberater (m/w/d) position at Taxtalente.de for their partner firm in Hatzenbˆ…hl. While my professional background is in software engineering, I bring strong analytical skills, a meticulous approach to complex problem-solving, and a proven ability to work with digital systems and modern technologies.

Through my work as a full-stack developer, I have developed a systematic and detail-oriented working style. I am comfortable with digital processes and modern tools, which aligns with your description of a digitally enabled workplace. My experience includes building and maintaining complex systems where accuracy, efficiency, and reliability are essential.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I am open to discussing how my skills in analysis, digital workflows, and structured problem-solving could contribute to your partner firm. I have attached my CV for your review.

Thank you for your time and consideration.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
