I am writing to apply for the Ausbildung Bˆ…rokauffrau-Bˆ…rokaufmann position at Hannover Mˆ¶bel GmbH. Your company's focus on importing high-quality furniture and providing excellent customer service across Germany is impressive, and I am interested in contributing to your team in Isernhagen.

Through my previous work experience, I have developed strong organizational and administrative skills. I am proficient in MS Office and Excel, which I have used to manage data, track tasks, and support office operations efficiently. I am comfortable handling administrative responsibilities and maintaining structured workflows.

I have good Turkish and German language skills, which will allow me to communicate effectively with customers and colleagues. I am accustomed to working independently and reliably, and I am eager to learn the specific processes involved in furniture trade, including customer financing and delivery organization.

In addition to my technical and language skills, I work effectively across teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review and would welcome the opportunity to discuss how I can contribute to Hannover Mˆ¶bel GmbH during this training program.

Thank you for your time and consideration.

Sincerely,

Md Shahanur Islam Shagor
