I am writing to express my interest in the Kosmetikerin position at Kosmetikstudio H&H. After reviewing the job description, I understand you are seeking a qualified professional with a completed cosmetology training and practical experience in facial treatments, massages, and foot care.

My background is in software engineering and full-stack development, which does not align with the specific cosmetology qualifications and hands-on beauty therapy experience required for this role.

I respect the importance of finding the right candidate with the appropriate training and expertise to meet your clients' needs and maintain your quality standards.

I wish you success in finding the ideal team member for your studio.

Thank you for your consideration.

Sincerely,

Md Shahanur Islam Shagor
