I am writing to apply for the Entry Level Administrative Assistant position at Recruitlytic Hiring. This remote role offers a strong foundation in administrative support and digital operations, and I am eager to contribute my organizational skills and attention to detail to your team.

Through my background in software engineering, I have developed strong computer skills and a methodical approach to managing information. I am comfortable working with spreadsheets, maintaining accurate records, and following structured workflows. My experience organizing digital files and tracking tasks across projects has prepared me to handle data entry and documentation responsibilities effectively.

I am a self-motivated individual who thrives in remote work environments. I communicate clearly in writing, follow instructions carefully, and can manage repetitive tasks with consistency. I am also comfortable using collaboration tools for chat and video calls, which supports smooth coordination with remote teams.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. I look forward to the possibility of contributing to Recruitlytic Hiring and growing within your organization.

Sincerely,

Md Shahanur Islam Shagor
