I am writing to apply for the Custodian position with the St. John's Farmers' Market team at Hospitality Newfoundland and Labrador. The opportunity to contribute to a community-focused market that values cleanliness, safety, and inclusivity aligns with my own work ethic and reliability.

I am a hard-working individual who takes genuine pride in maintaining clean, organized, and safe spaces. I am comfortable working weekends, including both Saturday and Sunday, and I am fully capable of the physical demands of this role, including lifting up to 40 pounds, setting up and tearing down event spaces, and performing ongoing cleaning duties.

I work well with minimal supervision and can take the lead on cleaning tasks while also guiding and supporting other staff members to ensure priorities are met. I am attentive to detail and proactive about checking facilities for potential maintenance concerns before they become larger issues.

In addition to my practical skills, I communicate clearly and collaborate effectively with diverse teams. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and am comfortable in busy, inclusive environments where teamwork and flexibility are essential.

I have attached my CV for your review and would welcome the chance to discuss how I can contribute to the St. John's Farmers' Market team. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
