I am writing to apply for the Steuerfachangestellter / Bilanzbuchhalter / Steuerfachwirt position at whg Werkmann Hien Gitschel PartGmbB. Your firm's focus on digital work, team harmony, and individual solutions aligns with my own professional values.

As a software engineer with experience in full-stack development and system architecture, I bring strong digital literacy and a structured approach to problem-solving. I am comfortable working with digital tools and automation, and I see technology as a way to improve efficiency and accuracy in daily workflows.

In my previous work as a Web Developer, I managed complex systems, optimized processes, and ensured data integrity. I am used to working independently and taking ownership of tasks, while also collaborating effectively within a team.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
