I am writing to apply for the Human Resources Administrative Coordinator position at Enstar Group. Your focus on supporting HR operations, maintaining accurate employee records, and delivering first-line support aligns with my experience in system coordination and process management.

Through my professional experience, I have developed strong organizational and analytical skills. I have worked with cross-functional teams, managed documentation, and supported user inquiries across multiple systems. I am comfortable handling administrative tasks, maintaining compliance with policies, and ensuring data accuracy.

One area that particularly interests me is the opportunity to support onboarding, training coordination, and HR system maintenance. I have experience assisting with user support, preparing documentation, and following up on tasks to ensure smooth operations. I am confident in my ability to contribute to the HR Shared Services Team.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review and welcome the opportunity to discuss how I can support Enstar Group’s HR operations.

Sincerely,
