I am writing to apply for the Train Cleaning Attendant position with Sydney Trains in the Newcastle region. The opportunity to contribute to a safe, clean, and customer-focused rail service is something I take seriously, and I am ready to bring my reliability and strong work ethic to your team.

Sydney Trains plays a vital role in keeping the community moving, and I understand that maintaining high standards of cleanliness directly impacts customer satisfaction. I am a self-motivated individual who takes pride in delivering consistent, quality results. I am comfortable working independently or as part of a team, and I always prioritise safety in everything I do.

I am fully available to work a 24-hour rotating roster, including early mornings, late nights, evenings, and weekends. I am prepared to work across the Newcastle, Hamilton, Broadmeadow, and Gosford locations as required. I am also ready to complete the paid on-the-job induction and training program to ensure I meet Sydney Trains' expectations from day one.

In addition to my strong sense of responsibility, I communicate clearly and work well with diverse teams. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and am comfortable in environments that value inclusion and collaboration.

I have attached my CV for your review. I would welcome the opportunity to discuss how I can contribute to the Sydney Trains team.

Thank you for your time and consideration.

Sincerely,

Md Shahanur Islam Shagor
