I am writing to apply for the Administrative Coordinator US position at Amgen. Your mission of serving patients through innovative therapies is inspiring, and I am drawn to the opportunity to support operations that contribute to meaningful healthcare outcomes.

In my previous roles, I have coordinated project workflows, managed communications across teams, and ensured that administrative processes ran smoothly. I am comfortable working with digital tools, tracking deliverables, and maintaining organized records in remote environments.

I communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural settings.

I have attached my CV for your review. Thank you for considering my application.

Best regards, Md Shahanur Islam Shagor

Sincerely,
