I am writing to apply for the Asesor a call center remoto position at Shalom. The opportunity to support customers remotely and provide clear, effective assistance aligns well with my communication skills and professional experience.

Through my work as a web developer, I have developed strong computer proficiency and the ability to manage multiple tasks efficiently. I am comfortable using Microsoft Office and various digital tools to organize information, track interactions, and respond to inquiries promptly.

One area that I focus on is clear and respectful communication. In previous roles, I worked closely with clients and team members to understand their needs, address concerns, and provide solutions in a professional manner. I am comfortable handling customer inquiries over the phone and in writing, and I prioritize giving each person a positive experience.

In addition to my technical experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. Thank you for considering my application.

Best regards, Md Shahanur Islam Shagor
