I am writing to apply for the Caretaker position at Mears Group PLC. The role's focus on maintaining high standards in housing properties and delivering quality customer service aligns with my work ethic and attention to detail.

Through my professional experience as a Web Developer, I have developed strong problem-solving skills, the ability to follow complex procedures precisely, and a commitment to completing work to a high standard. I am comfortable using digital tools and can quickly learn new systems, including PDA-based workflows.

I have good numeracy skills and can manage schedules effectively, ensuring tasks such as safety checks and seasonal upkeep are completed on time. I understand the importance of following protocols and maintaining compliance with safety standards.

In addition to my technical experience, I work effectively across teams and communicate clearly with both colleagues and customers. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in diverse environments.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
