I am writing to apply for the IMAGING CALL CENTER SCHEDULER position at Home Health Focus AI. Your mission to help home healthcare professionals find meaningful work aligns with my interest in building practical systems that support real-world needs.

Through my work as a software engineer, I have developed strong organizational and coordination skills. I am comfortable working remotely and have experience collaborating with international teams across different time zones. I am fluent in Bengali and English, with working knowledge of Russian and Hindi, which helps me communicate effectively in diverse environments.
