I am writing to apply for the Postperson with Driving position at Royal Mail. The opportunity to serve the local community and be part of a trusted national service is something I value greatly.

I am an upbeat, independent person who takes pride in doing a job well. I am comfortable working outdoors in all weather conditions and enjoy the physical nature of this role. I understand the importance of punctuality, reliability, and great customer service in this position.

I hold a full UK manual driving licence with no more than 6 penalty points. I am available to work the required hours, including weekends, and I am committed to delivering items securely and on time.

In addition to my work ethic, I communicate clearly and work well as part of a team. I am fluent in Bengali and English and enjoy interacting with people from different backgrounds.

I have attached my CV for your review. Thank you for your time and consideration.

Sincerely,

Md Shahanur Islam Shagor
