I am writing to apply for the Cleaner position at OCS. Your company's commitment to making people and places the best they can be, along with the award-winning workplace culture, is something I genuinely respect.

I bring strong interpersonal skills and the ability to work effectively both independently and as part of a team. I communicate clearly in English and am comfortable following management directions while also taking initiative when needed.

I am used to maintaining high standards in my work and take pride in completing tasks thoroughly and reliably. I understand the importance of building good relationships with clients and handling queries or complaints promptly and professionally.

I am a hard worker and quick learner, and I am ready to contribute to OCS's mission by delivering consistent, quality cleaning services. I value trust, respect, and teamwork, which align well with your company's TRUE values.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
