I am writing to apply for the Guru Field Representative Orlando position at Brooks Running. Your focus on movement, community, and authentic brand representation resonates with me, and I am interested in contributing to your field support efforts in the Orlando territory.

Although my professional background is in software engineering, I bring strong interpersonal, organizational, and communication skills that directly support the responsibilities of this role. I have experience working independently, managing multiple priorities, and collaborating with cross-functional teams to achieve shared objectives. I am comfortable representing a brand, educating others, and building genuine relationships.

In my previous roles, I regularly coordinated with stakeholders, documented progress, and delivered clear reports. I am fluent in Bengali and English, with working knowledge of Russian and Hindi, which helps me communicate effectively in diverse environments. I am also comfortable with travel, flexible scheduling, and hands-on event support.

I am eager to bring my energy, reliability, and people-focused approach to the Brooks team. I have attached my CV for your review and welcome the opportunity to discuss how I can support your brand in the Orlando area.

Sincerely,

Md Shahanur Islam Shagor
