I am writing to apply for the Rural and Suburban Mail Carrier position at Canada Post. The opportunity to join a trusted national organization focused on reliable service and community connection is one I take seriously.

This role requires dependability, organization, and the ability to work independently while following procedures precisely. I have developed these qualities through years of managing complex tasks, meeting deadlines, and maintaining focus under varying conditions. I understand the importance of sorting and delivering mail safely and on time, and I am prepared to handle the physical demands of the job, including lifting items up to 50 lb.

I am comfortable operating a motor vehicle in different weather and traffic conditions. I take vehicle safety seriously and am prepared to meet all requirements, including maintaining a satisfactory driving record and proper insurance. I am also ready to learn and retain knowledge of local roads, customer locations, and delivery procedures.

In addition to my work ethic, I communicate clearly and work well with others. I am fluent in English and Bengali, with working knowledge of Russian and Hindi, which helps me collaborate in diverse environments.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
