I am writing to apply for the Admin Officer position at The Bridge Co. Your focus on operational support, team coordination, and document management aligns with my background in structured administrative work.

Through my professional experience, I have developed strong organizational and communication skills. I have managed emails, coordinated schedules, supported HR and management with daily operations, and maintained organized records. I am comfortable working with digital tools and ensuring that documentation is accurate and accessible.

One area that particularly interests me is the coordination aspect of this role. I have experience working across teams and with external partners, ensuring smooth communication and follow-through on tasks. I am proactive about keeping workflows organized and reducing friction in daily operations.

In addition to my administrative experience, I work effectively across multidisciplinary teams and communicate clearly with both technical and non-technical stakeholders. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international and cross-cultural environments.

I have attached my CV for your review. I would welcome the opportunity to discuss how I can support The Bridge Co. as your Admin Officer.

Thank you for your time and consideration.

Sincerely,

Md Shahanur Islam Shagor
