I am writing to apply for the Sandwich Artist position at Subway. The role requires someone reliable, adaptable to various shifts, and capable of working in a fast-moving team environment. I meet these requirements and am ready to contribute from day one.

With over a year of professional experience in structured work settings, I understand the importance of punctuality, consistency, and following procedures. I am comfortable working early mornings, evenings, nights, weekends, and on-call shifts. I am also open to overtime when needed.

I am a quick learner and a hard worker. In previous roles, I have demonstrated the ability to pick up new tasks quickly, follow instructions accurately, and maintain a steady workflow even during busy periods. I take pride in doing my part to keep operations running smoothly.

In addition to my work ethic, I communicate clearly in English and work well within a team. I am fluent in Bengali and English, and I have working knowledge of Russian and Hindi, which helps me collaborate with diverse coworkers and customers.

I have attached my CV for your review. I am ready to start and would welcome the opportunity to discuss how I can contribute to the Subway team in Labrador City.

Sincerely,

Md Shahanur Islam Shagor
