I am writing to apply for the Werkstudent im HR position at Santos Grills GmbH. As a current Bachelor of Science student in Software Engineering at Voronezh State University of Forestry and Technology, I bring strong organizational abilities, attention to detail, and a structured approach to administrative work.

Through my academic and project work, I have developed a methodical approach to managing data, maintaining records, and ensuring accuracy in every task. I am comfortable working with digital systems, handling documentation, and following processes carefully. My experience building full-stack applications has given me strong skills in data management and working with structured information.

I work well independently and in teams, and I take responsibility for my tasks. I am fluent in Bengali and English, have working knowledge of Russian and Hindi, and enjoy collaborating in international environments. I am eager to contribute to the HR team at Santos Grills and support the company’s continued growth.

I have attached my CV for your review. Thank you for considering my application.

Sincerely,

Md Shahanur Islam Shagor
Full-Stack Developer & AI Engineer
